Your Excellency,

I have the honour to send to You the Draft of the Agreement on establishment of diplomatic relations between our two countries. Draft of the Agreement is written on the basis of the decision of the Assembly of the Republic of Slovenia from August 29, 1991.

Our Assembly finds that the recognition of sovereignty and statehood of Your country was already effective since the Assembly Resolution of May 16, 1990. Taking into account the respective decision of Your country, both countries have recognised each other. The Government of the Republic of Slovenia is consequently authorized by the Assembly to establish diplomatic relations with Your country.

We suggest that the Agreement be signed during our visit to Your country.

Please, accept the assurances of our highest consideration.
